

You've been waiting all year for it
and now we're here

NHS TOUCH RUGBY 2011

But without the Tackling and Scrumming!

In association with Heart of England NHS FT and both The RFL and RFU, we are looking for mixed sex teams of 6 upwards to play touch rugby, have lots of fun and participate in a regional tournament against teams from the hospital and community. In return we will make sure you make lots of new friends, train you and even make sure you get fit along the way.

If you've played dodgeball, netball or rugby in the past, this sport is definitely for you! And not only is the league FREE of charge, it is open for all abilities and ages!

Think you've got what it takes to get fit and have fun? Get in Touch!

For more information please contact the tournament manager
