

Be something different, do something different, be a part of it!

Have fun, meet new people, learn new skills, deliver the Olympic Legacy, know you are making a difference, be on a winning team, get a t-shirt AND have the opportunity to enter a fantastic draw for special prizes!

We are now recruiting hundreds of Hockey Makers to help us make more happen in hockey in 2012 at varied locations across England. We have over 20 different Hockey Maker roles and more than 500 volunteering opportunities so there is something for everyone, whatever your interest, and previous experience of hockey or of volunteering is not essential.

Many Hockey Maker roles are for one off events and require just a few hours of your time. To apply takes just two simple steps:

1. Go to www.englishockey.co.uk/hockeymakers. Click on 'Sign Up Today' and complete the registration form.
2. Once you receive your Hockey Maker ID go to the Vacancies page on the website, select the event(s) and role(s) you are interested in and apply.

Hockey Maker opportunities start with the nPower Big Dribble in April and May <http://www.thebigdribble.com> so come and be a part of it!
